

# Next Steps

**You've completed Learn Sass: Functions and Operations! What's next?**

Congratulations, you've successfully completed the Learn Sass: Functions and Operations course! You've learned how to use Sass functions, operators, loops, and conditionals to style elements even faster.

Your learning journey into Sass isn't over yet! Here is our roadmap to mastering Sass:

- [Learn Sass: Fundamentals](#)
- [Learn Sass: Mixins and Parent Selector](#)
- [Learn Sass: Functions and Operations](#) <– Completed!
- [Learn Sass: Best Practices](#) <– Up next!

Once again, congratulations on finishing the Learn Sass: Functions and Operations course! We are excited to see what you accomplish next.
